

# KITTEN CARE PACKAGE

There's nothing more exciting than bringing home a new addition to your family, especially a kitten! That's why American Canyon Veterinary Hospital offers a **Kitten Care Package** that will save you time, money and provide all the state of the art medical care our hospital recommends to give your new family member a strong, healthy start in life!

Our **Kitten Care Package** is offered to kittens 6 weeks, to 5 months old, at a fixed price, which will save you over 20% off the normal costs. To get the most value, we recommend starting your kitten package at 6 to 8 weeks of age; **all benefits will expire at 5 months of age.**

In addition to financial savings, with our **Kitten Care Package** you will have peace of mind that your new pet's health is our main concern, and you have the freedom during the duration of your package to visit with the doctor, or have a Physical Examination done for any reason or concern you may have.

## **During the duration of your Kitten Care Package, your benefits will include the following:**

- No Charge for Physical Exams
- Feline Leukemia & FIV Test
- FVRCP Vaccinations as needed based on age.
- Feline Leukemia Vaccinations as needed based on age.
- Rabies Vaccination at 16 weeks
- 2 Fecal Exams
- 20% Off Coupon for a Spay or Neuter surgery when done within 60 days of your package expiration.
- 1<sup>st</sup> **one month** dose of flea prevention.
- 1<sup>st</sup> **one month** dose of heartworm prevention.
- Deworming as recommended by DVM based on patient's needs.
- Nail Trims as needed
- Home Again Microchip
- 20% Off additional Flea and Heartworm prevention.

## **Kitten Care Package Guidelines**

- We recommend bringing a fecal sample closer to the end of your **Kitten Care Package**, after deworming has been completed, unless the Doctor requests a sample earlier due to certain symptoms.
- Vaccinations and parasite prevention recommendations may vary depending on kitten's needs, location, and exposure.
- Physical Examinations are at no cost to you, any additional diagnostic or other services will be charged for accordingly.
- Full payment for the **Kitten Care Package** must be made at the first visit (no payments are made at second or subsequent visits).
- There will be no refunds for any reason on prepaid packages.
- There will be no financial adjustment for services not rendered.
